About Us

Starting from strategic planning stage to product development and marketing management, we, Smartech Safety Solutions Private Limited, pay emphasis on all the business activities thereby, achieving the desired results in the form of our product. The product portfolio we offer to our customers comprises a wide variety of products. Road Thermoplastic Paint, Plastic Speed Breaker, Road Median Marker, Rubber Car Stopper, Convex Safety Mirror and Traffic Baton, for instance. Taking pride in the technological adeptness of our proficient people, we offer the incredible combination of innovation, quality, quantity and afford-ability. Besides, the expertise and business acumen of our mentor, Mr. Gopal Verma is the major reason for which we touch heights of success not only as a manufacturer and trader but service provider. Boom Barrier Fixing Services, Boom Barrier Repairing Services and Boom Barrier Tagging Services are services we offer to our esteemed customers.

We have recruited a group of quality analysts for looking after the quality standards of our products. To ensure the same, we even follow a well-defined Quality Management Policy that supports in moving forward at the right path for attaining complete customer contentment. Right from the time of material sourcing until the product is packed and shipped, it is our responsibility to make the best use of all the resources and come up with the products including Traffic Baton, Road Median Marker, that surpass the expectations of our customers in every manner.

The infrastructure facility we own in Pune, Maharashtra, India is one of the major assets we have to perform our business activities with the highest of efficiency. For bringing forth the best-in-class line of products, we have outfitted our infrastructure with technologically advanced machines. Using these machines we also fulfill immediate orders of our customers.
