About Us

Founded back in the year 2012, we, N.S.M. Agritech have been in the business for a long time, which has enabled us to use our wide expertise to meet a large clientele in the market. We began as a modest business to offer a diversified range of products as a supplier, dealer and distributor in the market. We have gained a respectable market place over the years by presenting our customers with cost-effective products such as Battery Operated Sprayer, Vehicle Mounted Agricultural Fogger Machine, Gasoline Chainsaw Cutting Machine, Automatic Pressure Washer, Hydraulic Hedge Trimmer, Electric Chain Saw and various others. With good cooperation with our vendors, we function to source the best quality of goods from them and make sure to test them from our end as well.

We began our company, N.S.M. Agritech from the city of Coimbatore, Tamil Nadu, India, with a strong dedication to excellence in the industry by supplying top-quality machinery and accessories to a broad client base. We always work on recognizing the individual needs of each of our clients and, therefore, provide them with personalized solutions including Battery Powered Sprayer, Portable Lawn Mower, Ring Joint Gasket, Mobile Brush Cutter, Domestic Fogging Machine, Electric Chainsaw Cutting Machine, etc., according to their request and specifications. In order to guarantee their utmost satisfaction, we have made sure that our company policies are made keeping customers views in mind. This way, we are able to establish a large client base.
