## About Us

Wingrip Plast Pvt. Ltd, is proud to be reckoned as the most trusted manufacturer and exporter in the industry as for earning this position we have invested immense efforts and money. At our shop our customers will definitely find the most comprehensive range of products such as Pipe and Pipe Fittings such as Pvc Pipe Elbow, Plastic Pipe Elbow, Coupler, Brass Tee, Ball Valve, Tank Connector and more. The entire range has been developed using the most premium grade plastic and allied materials, which we directly acquire from the market.

For the manufacturing of these sturdy pipes and pipe fittings we implement the use of extrusion technology, injection moulding machinery and other such high-end technologies. Our production technologies are therefore, the backbone of our firm empowering us to create sturdy and quality objects at a low production cost and at less price. We can assure that the quality we offer will be of the customer expectations as while manufacturing the products we keep customer needs in mind.

## Key Facts
