About Us

R.S Industries Corporation is a renowned manufacturer and supplier committed to delivering high-performance solutions in the surface coating and industrial tank segment. Based on a foundation of quality, innovation, and customer-centric service, our company specializes in the production of Industrial Powder Coating Ovens, Powder Coating Paint Booths, Conveyorised Powder Coating Ovens, and durable Polypropylene Tanks. With a deep understanding of industrial needs and a dedication to engineering excellence, we design and manufacture products that meet stringent industry standards and support efficient production workflows. Our equipment is widely used across manufacturing, automotive, and metal fabrication industries, known for its durability, energy efficiency, and consistent performance.

We combine advanced technology with skilled craftsmanship to deliver solutions that help our clients achieve enhanced productivity and quality results. Our state-of-the-art infrastructure, experienced team, and commitment to timely delivery have earned us a trusted position in the market. Whether you need a custom-built coating system or a corrosion-resistant storage tank, we are your reliable partner for robust industrial solutions tailored to your requirements.
