Little Things. Big Difference.

SOFA HANDLE CATALOGUE

Founded in 2011, Kamya Interiors is India's first manufacturer of single piece curved furniture. It brings 35 years of rich & profound experience in manufacturing a comprehensive range of premium, high-quality furniture.

The company has earned a venerated reputation of delivering finest, tailor-made furniture solutions that best meets and exceeds the demands & expectations of a modern buyer. It provides a complete range of home and office furniture that is an amalgamation of contemporary & urban designs, robust quality, and good value. The furniture with soft edges is visually attractive with its sleek and modish designs as well as safe for any space.

Kamya Interiors has 7 factories stretched in a vast area of 10,000 sqm. and each factory caters to one particular type of work. Ranging from peeling wood from tree logs to create a furniture piece. The company also manufactures the required accessories to well match the furniture.

Kamya Interiors intends to build Asia's largest furniture mall in India in the coming years and aspires to be the pioneer in the export of home and office furniture.
