## About Us

Choudhary And Company, founded in 2012, is a well-known manufacturer and supplier of a wide range of construction equipment. Construction Tie Rod, Scaffolding Prop, Adjustable Telescopic Span, Hand Trolley, Sand Screening Machine, and many other high-quality items are offered by us to customers. These products are made with high-quality materials and sophisticated machinery and equipment.

Our solid infrastructure is critical to the production of such advanced construction equipment that are known for their dependability, sturdy construction, and high durability. Because of expertise of our employees, we are able to construct our range in accordance with industry standards. With support of our experts, we ensure that the quality is checked at each level so that there is no room for inferiority in our product range. We have earned immense respect and trust of our customers through our exceptional after-sales services. Under the excellent guidance of our mentor, Mr. Aamin Bhai, we have carved out a niche in the competitive business and are expanding at an exponential rate.
