## About Our Company

---

About Our Company Tirupati Balaji Sales is a company for Manufacturing, marketing, wholesaling and Distribution of different varieties of premium grade Paper food packaging products. We provide worldwide exporting facilities for our products with a range from cupstock, ITC, Centuary for Hot & Cold Beverages, fries cups, ice cream cups, Paper lunch boxes, Flat bowls, Round paper containers, Paper lids, to an assortment of food packaging material also. These materials are packed hygienically in modern and attractive design which are branded to wholesalers, super markets, catering companies, hotels, government departments. Our storage and Delivery services are guaranteed by a team of workers who are available round the clock.

## OUR VISION

---

To exceed the aspirations of the local market and global one at large by continually supplying inspired custom brand paper cups and products to serve our clients' needs. To be always one step ahead of what is on the market and offer exceptional custom products and services to our clients. To ensure customer satisfaction by preserving our high production standards and keeping up with the latest customized trends in the market. To be among the pioneers offering environmental, technological, innovative, and affordable solutions to our clients; thereby committing to a sustainable future.

## OUR MISSION

---

Our mission from the beginning was to fill the market high need for customized paper cups and customized packaging materials. We understand clients need to be distinguished with their branded cups and products, and we aim to exceed their high expectations. Our staff with their in-depth knowledge and skills are devoted to living up to clients' expectations by fully cooperating with them to get the best results. We are committed to helping our clients lay the groundwork for their business and helping them serve their customers in the best way. We are determined on making our customers happy with commitment in their purchase and their experience with our company. Our spirit of innovation drives us to accomplish more every day, not forgetting our commitment to a sustainable future by delivering paper cups and products. We aim to create a positive impact on our community and the world.
