## About Us

Shri Parasnath Industries, since its inception in 2012, is catering to the demands of large number of patrons for quality approved machined components. We are a reputed Manufacturer, Exporter and Supplier, driven to meet specific requirements of the buyers. Therefore, our team of engineers and industry experts design the products in accordance to industry standards as well as current market demands. Our expertise lies in developing Turned Components, Studs, Nuts, Bolts, Two Wheeler Parts, Four Wheeler Parts and more that are used in tractors, two wheeler, VE pumps, and shock absorber. The product array is precisely engineered from only top quality raw materials.

Our advance facilities have helped us gain an edge in the market, as it helps in completing bulk orders in the minimum lead time as well as enable us overcome any challenge. It is our sound infrastructure that provides major strength and distinguishes us from other business players.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	thrust washer,cast iron components,centerless grinding machine,vmc machine,vmc machine job work,vmc machine job work,vmc machined component,vmc machine parts,forged components,forged fastener
<b>No of Staff</b>	20
<b>Year of Establishment</b>	2010
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	Yes
<b>Monthly Production Capacity</b>	As Per market requirement
<b>Product Range</b>	thrust washer,cast iron components,centerless grinding machine,vmc machine,vmc machine job work,vmc machine job work,vmc machined component,vmc machine parts,forged components,forged fastener

## Our Products

**SS Hollow Bolt**

**Four Wheeler Bushes**

**Blank Collets**

**Radiator Bleeder Screw**

**Pump Hollow Bolt**

**Shock Absorber Rod Guide**

**Adapter Nuts**

**Bearing Race**

**Eccentric Bolts**

**SS Flange Nut**

**Pump Locking Screw**

**Slotted Shoulder Screw**

**Cylinder Bottom**

**Shocker Piston**

**Spacer Tube**

**Washer SS416**
