

R-55

PRODUCT ATTRIBUTES

- R-55 is used to improve the feel of the fabric printed with pigments.
- R-55 is also used for improving the feel (soft & smooth) of khadi print, ink print & any water based paste for garment printing.
- R-55 does not affect the crock fastness of the printed fabric.
- R-55 is used to reduce choking of the screens while printing by applying it on the surface.

TECHNICAL DATA

Appearance	Translucent white paste
pH	6-7

APPLICATIONS

1. For aqueous pigment printing paste 1-2% of R-55 can be used.
2. For garment printing with khadi, inks, any water based paste 2-5% of R-55 can be used.

NOTE:

R-55 should be added after the preparation of aqueous printing paste.
