## About Us

Octane Medical is the brainchild of Mr Debdutta Chatterjee. In 2014, he started this company to provide highly advanced and efficient medical machines and equipment to the industry across the world. Since then, as a company, we have been making our mark and attaining growth as a trader, supplier and exporter. We offer highly reliable Neonatal Humidifiers, Heated Clean Steam Generator, OT Light, ABP Monitoring System, Drying Cabinet, Ultrasonic Cleaner, Medical Washer Disinfector, Baby Incubator, Surgery Cautery Machine, and many other medical systems, machines, and furniture.

As we serve to customers at the global level, our products are sourced after being assured of their compliance with the international quality standards. We deliver products in many sizes and specifications that further enhance our bandwidth to meet the demands of customers from various hospitals, dispensaries, and nursing homes.
