

INTELLIGENT MONITORING POWER SUPPLY BURN-IN TESTING SYSTEM

Apply to led lighting power supply, led backlight Power supply, adapters, chargers, tv power supply

Direct sales by Manufacturers

400W LED Driver Aging Rack, Adapter Supply Aging Test Chamber Equipment, Burn-in Equipment for LED Power Supply, Charger Power Supply Aging Test Machine, Constant Temperature and Humidity Power Burn-in Test System, Custom Design TV Power Supply Burn in Test Chamber, DC-DC Power Supply Burn in Test Machine, Energy Saving Aging Test Cabinet, Energy Saving Burn in Testing System of Industrial Power Supply, etc.

TV POWER SUPPLY AGING TEST CABINET EQUIPMENT

BURN-IN EQUIPMENT FOR LED POWER SUPPLY

LED LAMP POWER SUPPLY AGING TEST BURN-IN MACHINE

About Us

The key to make fast-working products is innovation. Innovation is a something that creates value in the business. It provides companies a means to establish strong bonds in the industry to make living and working better. With innovation, Shenzhen CPET Electronics Co., Ltd. is growing to possible heights and establishing great bonds in the industry.

We are present in this industry from more than 9 years as a manufacturer and an exporter. Through innovation, we are aiding customers rely on our fast and reliable working Test Equipment, Burn-In Test Equipment, DC Electronic Load, DC Electronic Load Meter, Multiple Function Switching Controller, Computer Monitors Room System, Grid-Connected Inverter, etc. We are famous for our invention of test equipment, which is used on a large basis in consumer electronics. Large infrastructural base of our company at Shifeng Science and Technology Park, Shenzhen, Guangdong (China), is equipped with machines and tools that help us bring forth modern products. Of the total production, 40% of the products are exported to countries like Africa, Asia and South America.

Key Facts

No of Staff	180
Year of Establishment	2010
No of Production Lines	2
OEM Service Provided	No
Monthly Production Capacity	Depend on order

Our Products

Constant Temperature And Humidity Power

TV Power Supply Aging Test Chamber

Energy Saving Burn In Testing System Of

Power Bank Burn-In Test System

LED Power Supply Burn-In Test System

LED Power Supply Aging Test Machine

Charger Power Supply Aging Test Machine

Quick Charge Supply Aging Test Cabinet

Adapter Supply Aging Test Chamber

LED Power Supply Aging Test Burn In

Multi-Channel Power Aging Test Machine

LED Lamp Power Supply Aging Test Cabinet

LED Driver Power Supply Aging Test

Energy Saving Aging Test Cabinet

LED Power Supply Aging Test Chamber

400W LED Driver Aging Rack
