About Us

Niyam Industries is a famous company that supports farmers across the country by providing them with sustainable agriculture pesticides, insecticides, and various technicals. We strive to empower small as well as large farmers to produce more from their land while making the minimum use of natural resources such as water and energy. We do this by providing highly effective agro care products such as Cypermethrin 25% EC Cypkill Super Insecticide, Chlorantraniliprole Agro Technical, and Imidaclopride Agro Technical.

We work with the commitment to give our best efforts to help farmers produce more from their land and conserve natural resources like water and energy. Mission: Our mission is to provide supreme quality agro care products and services to the farmers. By doing so, we feel privileged to be able to contribute our efforts in the interest of the farmers. Values: The core values that we follow at every step define us as a corporation and as individuals. By constantly following our values and principles, we provide the utmost value to our customers. We work hard to uphold our reputation for integrity in the marketplace. Strength: Our Quality Products, Attractive Packing, Timely Supplies and Competitive Pricing regularly help us develop and maintain long term relationships with our customers, suppliers and employees, and thereby have become our strengths.
