About Us

An established provider of material handling solutions in Turkey, Inovic CRM India Pvt. Ltd. was established in 2011 and has operations both domestically and abroad. We take great pride in introducing ourselves as a reputable producer and supplier of cranes, components, and related services. These cranes are available across all of India. It is a source of pride that the founder, Mr. B. R. Patel, who graduated in mechanical engineering and has a wonderful industrial experience of 12 years in the development and production of Material handling devices, put his knowledge and honest efforts into the company.

In such a short period of time, the company has established itself as a top supplier both inside and outside of India, and its current annual revenue exceeds 24 crores. Its Customer First philosophy has contributed to its strong reputation by consistently delivering high-quality solutions on time and under budget. We are a group of approachable, creative, pro-active, process-oriented experts who are committed to doing everything we can to achieve excellence.
