About Us

Sheetla Techno Industries is a widely popular name in the industry for offering a comprehensive range of Jumbo Trolleys, Shoes Rack Cabinet Lockers, Roll Cage Trolleys, Device Charging Racks, and other products. Established as a prominent manufacturer and supplier, our primary aim is to provide customers with the best, fostering long-term relationships with them. Straight from the beginning, we work harder than our capacities to ensure maximum customer satisfaction. From promising flawless onboarding to reliable after-sales services, we do our best to delight our customers and outshine our competitors. However, over the years, as a result, we have managed to gain an edge over our competitors. With every business deal, we have grown exponentially, and while our clientele has become stronger, our relations with our partners and customers have strengthened.

Today, there is no better destination to fulfill the requirements of the aforementioned products than ours. With experience in serving the best to customers exactly as per their preferences, we have mastered our area of expertise. We welcome customers from varied locations around the nation with immense respect and value for their time and money.
