About Us

Auto Care Industries, a well-established company, has been dedicated to providing clients with high-quality products for many years. Our product range includes items such as Pneumatic Butterfly Valve, Electric Butterfly Valve, Gear Butterfly Valve, Check Valve, Air Valve, and more. We are recognized in the industry as one of the foremost manufacturers and suppliers of these products. Crafted from superior raw materials, the quality of our offerings is unparalleled. We conduct extensive market research to ensure that the products we provide to our clients meet the highest standards. Each component is manufactured and tested individually before assembly, and we subject all products to rigorous quality assurance tests to evaluate their durability, efficiency, robustness, and dimensional accuracy. Only after confirming that every aspect meets our stringent criteria do we consider them ready for delivery to our clients.

Since its inception in 2010, Auto Care Industries has been operating from Ahmedabad, Gujarat, India. Our company has earned a reputation in the market for manufacturing and supplying a range of products, including Electric Butterfly Valve, Pneumatic Butterfly Valve, Gear Butterfly Valve, Check Valve, Air Valve, and more. With over a decade of experience in this sector, we have acquired significant expertise. We are well-versed in industry requirements and market standards, allowing us to customize our products accordingly. Throughout the years, we have built a robust relationship of trust with our clients and vendors, and we are committed to further enhancing this relationship in the future. Our goal is to expand our business to better serve a wider audience.
