## About Us

Dupack Poly Films holds rich expertise in the business of Plastic and Flexible Packaging Materials. We are a 2008 established, highly reputable company, which fulfills the growing demands of quality plastic packaging for Confectioneries, FMCG, Textile, Food and Beverages, Pharmaceuticals, and many other industries. From the past many years, we have been holding a secure position among the top manufacturers and traders of Spices Packaging Bags, PET Packaging Film, BOPP Laminated Pouch, Flour Packaging Bags, PVC Food Beverage Label, Printed Packaging Rolls, and many other packaging products.

With over a decade of experience and continuous work for the business development, we have established ourselves as One Stop Shop for all the packaging requirements. Further, with our sheer dedication and commitment to have excellence in the business, we are staying motivated and inspired to brilliantly perform everyday operations. Our affordable packaging materials, bags, and pouches can be made in a variety of colors, ranging from translucent to gold. You can print on them to get them as per your brand and business.
