About Us

Established in the year 2013, we, Refcon Technical Services, are an eminent Manufacturer, Supplier, Exporter and Trader of quality Industrial Cold Storage, Cooling Tower, Blast Freezer, Vegetables Cold Storage, Cold Storage Plant, Refrigeration Evaporators, Turn Key Refrigeration, Commercial Refrigeration and many more. Apart from this, we are also a Service Provider of the services such as Cold Storage Repairing Services, Turn Key Refrigeration Services, Duct Cleaning Services, etc. Our products have been consistently exceeding expectations of a wide base of customers owing to their excellent qualitative features. Our Refrigeration products are known for their high efficiency, less maintenance cost, minimum power consumption, maximum performance and long service life. These are ideal solutions for preserving fresh vegetables, fruits, meat, various processed food, etc., for a long time.

Our entire line of product is sourced from trusted and certified manufacturers of the market. We choose our manufacturers based on some specific grounds such as the standard of components used, techniques of production adopted and market reputation. Being a quality conscious organization, our procuring agents along with a pool of quality inspectors test the entire gamut under prescribed parameters before the product sourcing process. In fact, we are able to carry our business operations in a hassle-free manner due to the dedicated performance of our team. Our team is a blend of both young talent and highly experienced veterans who ensure that every requirement of our clients is met with precision. Our company has carved a niche in the market as a reliable name under the able guidance of our mentor, Mr. Yashvin Jadav. His rich domain experience along with his good business understanding has led our company towards the path of unprecedented success.
