## About Us

Eastman Cast & Forge Ltd. is a popular name around the entire globe. Customers consider it one of the pre-eminent manufacturers, exporters, and suppliers of an exclusive range of hand tools, power tools, and bikes. Our product portfolio encompasses Induction Washers, Brush Cutters, Water Pump Pliers, Kids Cycles, and more. The aforementioned products are the creation of our team of over 1,000 diligent and talented professionals.

Each and every professional that we have on board is highly motivated, competent, and experienced. They make the best of the available resources and bring forth an outstanding product range that exceeds the expectations of the customers, giving us an edge over our competitors. Furthermore, our professionals focus most of their efforts on delivering complete customer satisfaction. In an attempt to deliver the same, they offer a worthwhile experience to the customers, fulfilling all their requirements on time and showering them with multiple other benefits.
