About Us

What good is a style which does not make an individual feel positive, confident and comfortable? Keeping the same in mind, we, **Puja International** are bringing a fashionable collection of apparels for both men & women. Our offerings such as **Mens Cotton Polo T-Shirt, Ladies Woolen Shawl, Ladies Fancy Scarf, Chenille Yarn, Pique Fabric, Wool Fabric** and others are designed to make wearer feel extremely comfortable throughout the day. The specialty of our clothing lies in its fabric, fitting, finishing, detailing and more attributes. We understand the modern class people and, their choices for clothing very deeply. Thus, every item stitched at our firm has all the qualities that can match the desired expectations of what they actually seek for.

Initiated by aspiring young business women, **Mrs. Anu Dewan**, our firm has solidified its name amongst the leading **manufacturers** and **exporters** in the global markets. Our rising market presence is also the result of innovative strategies and reliable guidance provided by our visionary mentor.

Customers Satisfaction

Our commitment towards customers satisfaction has pushed our enterprise to national heights of success. We take innovative steps to fulfill the exact demands of customers in convenient, cost saving and time saving ways. Ultimately, their satisfaction means utmost success to us.

Infrastructure & Manufacturing Process

Our high end infra set up is in Ludhiana (Punjab), the heart of Indian Textile & Knitting industry. At our premises, we have world class machinery, tools and equipment that are essential for flawless fabrication of a broad variety of products. We follow standard operating procedure for the manufacturing process and, make sure that top quality results are carried out on every single batch of production. Our entire process is also integrated with an advanced quality control system.
