About Us

For fabrication of quality creations, everything matters right from using the correct base for production to checking of final products to ensure flawlessness. Making every right effort, from choosing perfect base materials to testing of final products on many parameters is Surface Engineering Company. We are a 2015 born company engaged in fabrication of Sand Blasting Machine, Airless Shot Blasting Machine, Drum Type Shot Blasting Machine, Belt Type Shot Blasting Machine etc. Not many years have passed since we came into being but even in such a short service span we have made a mark in this industry by providing customers what they actually want. We have been serving as manufacturer and supplier and creating fine machines which are durable, smooth in functionality and easy to maintain. We produce as per customers' order and even modify our offerings as per the requirements of customers. Mr. Ramdeen Choudhary is the man behind all successful completion of orders as it is he who has been guiding our employees to work faster and better with complete professionalism.

Jodhpur, Rajasthan (India) located Surface Engineering Company is an ISO Certified Company, founded three years back with a mission to bring forth many varieties of machines. The type of products we design and develop are Shot Blasting Machine, Barrel Type Shot Blasting Machine, Pneumatic Tumble Type Sand Blasting Machine, Robotic Shot Peening Aerospace and much more. Every product is precisely developed and carefully checked for quality so that these serve for a longer duration of time. We are a professionally managed company functioning well under the tutelage of Mr. Ramdeen Choudhary. Since formation, he has been overseeing all operations and making sure that quality is delivered in the form of our top notch quality products to all clients.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	air operated shot blasting machine,automatic shot blasting machine,shot blasting machine; sand blasting machine; dust collector; airless shot blasting machine; air operated shot blasting machine.
No of Staff	30
Year of Establishment	2015
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	as per order based
ProductRange	air operated shot blasting machine,automatic shot blasting machine,shot blasting machine; sand blasting machine; dust collector; airless shot blasting machine; air operated shot blasting machine.

Our Products

Hanger Type Shot Blasting Machine

Robotic Shot Peening Machine

Airless Diabola Type Sand Blasting Machine

Blast Clean Stainless Steel Panels

Single Door Swing Table Blasting Machine

Roll Etching Machine

Industrial Dust Collector Machine

Sand Blast Hose

Blast Room Systems

Cartridge Type Filter

Inline Painting Machine

Pressure Blaster

Tyre Mould Cleaning Machine

Portable Abrasive Blaster

Magna Valve

Brake Shoe Cleaning Machine
