

Industrial Skimmer
Never Breaking Your Trust Is Our Speciality

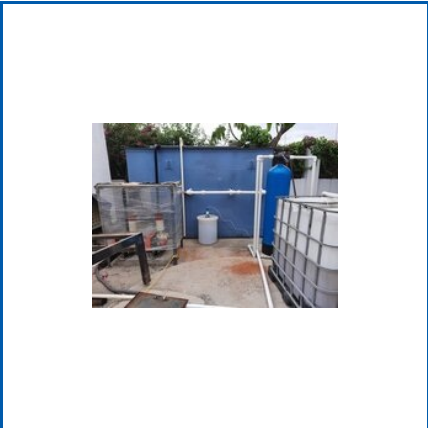

CPI/TPI Type Oil Water Separator, Coalescer OWS Filter, Customized Belt Oil Skimmer, Dissolved Air Floatation Horizontal Flow System, Industrial Corrugated Plate Interceptor Systems, Industrial Lamella Plate Separator, Industrial Packaged ETP with Ultra Filtration Systems, MBBR Based Packaged Sewage Treatment Plant, MBR Based Sewage Treatment Plant, Packaged Skid Mounted ETP System, SBR based Sewage Treatment Plant, Underground Oil Water Separator, etc.

PACKAGED SKID MOUNTED ETP SYSTEM

INDUSTRIAL PACKAGED ETP WITH ULTRA FILTRATION SYSTEMS

MBBR BASED PACKAGED SEWAGE TREATMENT PLANT

About Us

Sri Sai Pkriyash Tech has expertise in customized manufacturing of Industrial Lamella Plate Separators, Oil Skimmers, Effluent Treatment Plant, Industrial MBR Sewage Treatment RO Plant, Dissolved Air Flotation Unit and many more products of unmatched quality. Every product we provide to customers as a manufacturer is competitively priced and fits into their requirements due to its being developed as per their specifications. We have been working with various customers since our foundation and fully understand their application requirements and the purpose behind buying our products. Right from their first call, through designing products, assembling them, delivery and then installation, we keep our customers in the loop to ensure their requirements are met. Besides, we have trained our personnel to address the queries and concerns of customers relating to products and orders in a timely manner. With their expertise, we also render Oil Water Separators Revamping Services, Repairing Services of Effluent Treatment And Wastewater Treatment Plants and many other services related to the offered products.

Without the support of a well-built infrastructure, it is not possible to succeed in this fiercely competitive industry. The availability of the right machines, tools, and equipment at our production set-up enables us to maintain continuity in the process. All the operations take place under the constant observation of experts who are accountable for ensuring the timely completion of orders. Whether the order is small or large, our employees work together to meet deadlines.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	ro plant,ultra filtration plant,oil skimmers,dissolved air flotation units,lamella clarifier,sewage water treatment plant,compact sewage treatment plant,dairy effluent treatment plant,packaged effluent treatment plant,oil water separators
No of Staff	12
Year of Establishment	2015
No of Production Lines	1
OEM Service Provided	No
Memberships	MSME UDYAM
ProductRange	ro plant,ultra filtration plant,oil skimmers,dissolved air flotation units,lamella clarifier,sewage water treatment plant,compact sewage treatment plant,dairy effluent treatment plant,packaged effluent treatment plant,oil water separators

Our Products

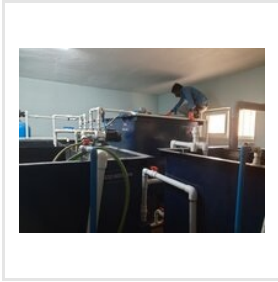

MBBR Based Packaged Sewage Treatment

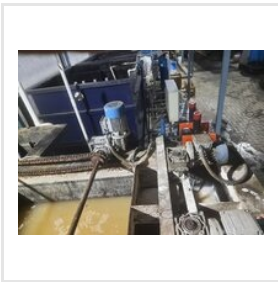

SBR Based Sewage Treatment Plant

CPI/TPI Type Oil Water Separator

Packaged Skid Mounted ETP System

Industrial Packaged ETP With Ultra Filtration

MBR Based Sewage Treatment Plant

Industrial Corrugated Plate Interceptor

Industrial Lamella Plate Separator

Underground Oil Water Separator

Dissolved Air Floatation Horizontal

Coalescer OWS Filter

Customized Belt Oil Skimmer
