About Us

Our manufacturer and supplier company, Rakesh Footwears Private Limited, offers the highest-quality products like Brazzil Series Sports Shoes, Kids Sports Shoes, Ladies Sandals, Ladies Slippers, etc. Our products are innovative and comfortable enough to cater for the different needs of the clients. Every pair reflects the utmost care and commitment to the quality of our products and ultimate customer satisfaction. We are challenging ourselves all the time to make our offerings better by using the trend and the most recent technologies in shoe manufacture, providing great value for our customers—through style as well as substance. Sustainability forms the core of our production system. Thus, we try to minimize our footprint on the earth by using environment-friendly materials and practices in every possible level.

Our company is a dynamic footwear leader, popularized by innovative designs and a guarantee for quality. As leaders in a wide range of diversified products, from the North Black Color Sports Shoes, Simran Black Color Flat Ladies Slipper, Paanda Grey Color Kids Sports Shoes, etc. Our company caters to the diverse needs of our customer base. We focus more on product design and functionality combined with style and comfort, where we use advanced materials and sustainable practices.
