About Us

Putting several years of experience to maximum advantage, Saraswati Agro Industries has orchestrated a meteoric rise in the agro-farm equipment industry. With a modest start in 2007, we have emerged to be reckoned among the leading manufacturers, exporters, and suppliers of different types of equipment including Sai 3hp Chaff Cutter, Reverse Forward Gear Chaff Cutter, Nano Milking Machine, Down Blower Chaff Cutter, Cow Rubber Mat and others. We manufacture a range of equipment under the brand name, Venkatesh. A substantial part of our production is exported to overseas markets. We have developed good rapport with our customers who trust our products for different dairy farm activities. We also design and manufacture products for use in the dairy industry.

Saraswati Agro Industries is a reputed manufacturer, exporter, and supplier of Down Blower Chaff Cutter, Cow Rubber Mat, Nano Milking Machine, Industrial Milking Machine, and Four Bucket Milking Machine. We started our business in 2007 in Sangamner, Maharashtra. With our continued focus on excellence, we have emerged as a trusted company for different types of machines used in dairy farms. During the last 16 years, we have gained a good market response from the domestic as well as international ones. We strictly conform to established quality standards and processes to ensure that our dairy farm machines are seamless in their performance. We are a customer-friendly organization always seeking to earn the trust of our customers and provide them with outstanding products and solutions.
