About Us

Rukmani Fab & Gal Pvt. Ltd. is a premier manufacturer, involved in Fabrication, Engineering and Galvanization of superior steel structures. Formed many years back, our company is exploring steel fabrication business and undertaking various infrastructural projects all over the globe. We, along with our group companies, proudly boast of ISO 9001:2015 certificate. We have gained this ISO certificate by keeping our focus over manufacturing Electrical Cable Tray Support Structure, Earthing Round Pipe, Substation Structure, High Mast Pole, MS High Mast Pole and a host of other products in highest quality standards. We are considered the best galvanized steel structure supplying company, to NAVRATNA and MAHARATNA companies in the Indian market and to indigenous overseas clients.

We take pride in serving our premium quality collection of Electrical Cable Tray Support Structure, MS High Mast Pole, Earthing Round Pipe and other products to various industry best companies such as BECIL, CORE, HPCL, L&T, NTPC, PGCIL, SIEMENS, TATA PROJECTS, THYSSENKRUPP, ULTRATECH and VOLTAS.
