About Us

At Powerol Energy Systems Private Limited, we are committed to delivering high-quality solutions in the construction and energy sectors. Established in 2015 and based in Chittoor, Andhra Pradesh, we operate as a leading manufacturer, exporter, and supplier of advanced construction equipment. Our products, including Concrete Batching Plant, Fly Ash Silos, Dust Collector Filter, Powerol Concrete Mixers and Concrete Boom Pump, are designed to improve operational efficiency and quality in construction projects worldwide.

Quality is the backbone of our operations. We meticulously test each product to ensure it performs seamlessly under challenging conditions. With a commitment to innovation and excellence, we continue to develop cutting-edge solutions for the construction industry, delivering value to our clients. As a global exporter, we take pride in delivering our high-performance construction equipment to clients across various countries. With a focus on quality and customer satisfaction, we have successfully expanded our market presence, helping businesses worldwide improve their construction processes with reliable, efficient machinery.

Our manufacturing facility in Chittoor, Andhra Pradesh, is equipped with advanced machinery and technology to produce durable and efficient construction equipment. We adhere to strict quality control processes to ensure that every product meets the required specifications and can withstand the demands of the construction industry. Our skilled team of engineers ensures that all products are built for longevity and superior performance.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	industrial dust collector,asphalt batch mix plant,transit mixer,mobile concrete batching plant,fly ash silo,cement silo,
No of Staff	100
Year of Establishment	2015
No of Production Lines	1
OEM Service Provided	No
ProductRange	industrial dust collector,asphalt batch mix plant,transit mixer,mobile concrete batching plant,fly ash silo,cement silo,

Our Products

Bag Filter System

Bolted Cement Silo

Fly Ash Silos

Grain Storage Silo

Cement Storage Silo

Mild Steel Storage Silos

Ash Storage Silos

Cement Storage Silo

Flexible Screw Conveyor

Dry Mix Mort Plant

Mobile Concrete Batching Plant

Ready Mixed Concrete Mixing Plant

Stationary Concrete Batching Plants

Cement Blending Plant

Dry Mix Mort Plant

Micro Silica Silo
