About Us

Seva Facility Services Pvt. Ltd., established in 2016 and based in Pune, Maharashtra, India, is a leading manufacturer, exporter, supplier, trader, and service provider. The company specializes in comprehensive pest control services, ensuring safe and hygienic environments for residential, commercial, and industrial spaces. Their expertise extends to container fumigation services, protecting goods during storage and transportation from pest infestations.

Seva Facility Services also manufactures high-quality products such as wooden pallets, Genus Fly Catcher Machines, and Rat Snap Traps, combining innovation with efficiency to meet diverse client needs. With a commitment to excellence, safety, and customer satisfaction, the company serves clients across various industries, offering reliable and cost-effective solutions. Through continuous innovation and a focus on quality, Seva Facility Services Pvt. Ltd. has earned a reputation as a trusted partner for pest management and related services.
