

## ARC WELDING MACHINE

DELIGHTING CUSTOMERS WITH AUTHENTIC PRODUCTS

ARC 630 Welding Rectifier Machine, Air Cooled ARC Welding Machine, Auto Darkening Welding Helmet, CNC Gantry Type With Servo Motor 1.5x6.3, CNC Gantry Type With Stepper Motor 1.5x6.5, Guide Wire Welding Automation, LPG Cylinder Welding Automation, MIG ARC 400 Pro Welding Machine, etc.

**ARC 400 IJ 3 PHASE WELDING  
MACHINE**

**ARC 630 WELDING RECTIFIER  
MACHINE**

**VIGOR INVERTER MMA- ARC 4001  
WELDING RECTIFIER MACHINE**

## About Us

Vigor Welding Private Limited aims to become a reliable industry associate for customers, and provide first-rate products in the welding vertical. We are a loyal industry partner which has managed cementing its position in the welding industry as a trader by offering products at reduced rates. We strive to push ourselves harder for meeting challenging requests of clients in the welding field. We well-imbibe values such as excellence, enthusiasm, simplicity, teamwork, passion and commitment which motivate us to do business in the finest manner. Our tested portfolio comprises Guide Wire Welding Automation, Portable Type CNC Flame Cutting Machine, Vigor SWE 100 Plasma Cutting Machine, etc. We work in conformance with outstanding trading beliefs for benefiting various industries at large.

We, Vigor Welding Private Limited, are providing LPG Cylinder Welding Automation, Portable Type CNC Flame Cutting Machine, etc., from New Delhi, India. Our company well-implements proven practices and modernized perspectives for assuring ease in corporate operations. We are maintaining a wide stock of Plasma Welding Machines, TIG Welding Machines, CNC Plasma Cutting Machines, etc., for addressing needs of the clients within the promised time duration. We act in sync with the best trading practices for guaranteeing smoothness in business procedures, and also follow feedback submitted by industry clients for knowing their perception concerning our goods.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>No of Staff</b>	10
<b>Year of Establishment</b>	2010
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No
<b>Monthly Production Capacity</b>	as per requirement

**Our Products**

**Micro Plasma 55  
Plasma Welding**

**Vigor SWE 100 Plasma  
Cutting Machine**

**TIG 400 P Inverter  
Welding Machine**

**TIG AC DC-ARC 315  
Welding Machine**

**TIG-MMA 200 A Welder  
Machine**

**MIG 300 Synergic  
Welding Machine**

**MIG ARC 400 Pro  
Welding Machine**

**Titan XQ 400 Puls CW  
EX WI-FI MIG Welding**

**Micro Plasma 25  
Plasma Welding**

**Micro Plasma 105  
Plasma Welding**

**Portable CNC Plasma  
Cutting Machine**

**Portable Type CNC  
Flame Cutting Machine**

**LPG Cylinder Welding  
Automation**

**Guide Wire Welding  
Automation**

**Welding Positioner**

**1.5 X 6.3 Gantry Type  
With Servo Motor CNC**
