About Us

Addsoft Technologies Limited is a reputable Producer and Distributor of high-end digital hardware systems that are able to cater to the requirements of contemporary businesses, organizations, and communal arena. We provide high-quality, innovative, and customer-satisfied products that would promote communication, productivity and engage customers. We design our solutions to be stable and operate within the arduous conditions at the same time being sleek and easy to use.

Our products are a great variety of innovative products to be used in different industries. We also have Computer Kiosks, Mobile Charging Kiosks, Safety Training Kiosk, Indoor Video Wall Digital Signage and All-In-One PC Desktops as a part of our product lineup. Every single product has also been designed with quality and up-to-date production methods that guarantee longevity, performance and value. We have solutions that are small yet standalone units and those that are massive display systems that are tailor made to both functionality and aesthetics.

Addsoft Technologies Limited has been known to have a strong and easy to use kiosk solutions. Our computer and training kiosks are suitable in educational institutions, corporate, medical and social places. Safety Training Kiosks especially aid organizations to provide standard training content effectively enhancing compliance and awareness. Mobile Charging Kiosks offer safe and accessible charging services on smartphones and devices in places of high traffic like airports, shopping malls, and offices to improve the user experience and interaction.
