# INTRODUCTION

**CELLUS TECH INDIA PVT. LTD.** established in 2016, is a professionally managed manufacturer and comprehensive solution provider delivering advanced solutions in the domains of Energy, Lighting, Refrigeration, Industrial Cooling, Kids Toys and Industrial Engineering. Headquartered in Bhiwadi, Rajasthan, the company operates with modern, fully integrated in-house manufacturing facilities and robust infrastructure, enabling the consistent delivery of high-quality, reliable, and performance-driven products for residential, commercial, and industrial applications.

Founded with a clear vision to drive innovation, sustainability, and technological excellence, Cellus Tech India Pvt. Ltd. focuses on creating value through engineering precision, intelligent automation, and customer-centric solutions. The organization is led by Mr. Satbir Singh Boora and Mr. Joginder Boora, a Mechanical Engineering graduate with over 16 years of extensive industry experience in project management, production, automation, quality assurance, and ISO-compliant quality management systems.

Backed by a team of experienced engineers, software professionals, and skilled technicians, the company emphasizes automation-driven processes, embedded system development, advanced manufacturing practices, and continuous improvement, ensuring consistent quality, operational safety, and superior performance across its diversified portfolio.

Cellus Tech India Pvt. Ltd. offers an extensive range of products and services, including LED Lighting Solutions, Electrical Panels, Solar Power Systems, Refrigeration and Ice Cube Machines, Material Handling Equipment, Fabrication services, Air Ducting and Industrial Cooling Systems, Electrical Switchgear, Kids' Toys, Industrial Cleaning Machines, Automation solutions, Automotive sector components, Embedded design and Development services, Software and Control System Solutions, and Precision Injection-Molded Plastic Components.

The company is proud to be an Authorized Channel Partner of Crompton and a trusted supplier of HPL lighting products, Symphony Industrial Air Coolers, and Columbus floor cleaning machines, supported by strong technical expertise, dependable after-sales service, and 24x7 maintenance support.

Driven by a commitment to quality, innovation, and customer satisfaction, Cellus Tech India Pvt. Ltd. continues to build long-term partnerships by delivering efficient, sustainable, and future-ready engineering solutions alligned with global standards and evolving market demands.

## WHY US?

-  **In-House Manufacturing** - Complete control over quality, customization & delivery
-  **Engineering Expertise** - Experienced engineers & skilled technical workforce
-  **One-Stop Solution** - Lighting, energy, Refrigeration & Industrial services under one roof
-  **Trusted Channel Partner** - Authorized channel partner of Crompton, HPL & Columbus & Symphony.
-  **Quality Assured** - Strict quality checks & industry-standard processes
-  **Energy-Efficient Solutions** - Cost-effective and sustainable products
-  **24x7 AMC & Maintenance** - Quick response to minimize downtime
-  **Customer-First Approach** - Tailored solutions, competitive pricing & reliable support

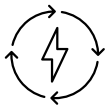

### APPLICATIONS

- Homes
- Residential Area
- Shops
- Office
- Living Room
- Bedroom
- Kitchen

### KEY FEATURES

- Energy Efficient
- High Luminous
- Long Life Span
- Instant ON – No Flicker
- Eco-Friendly & Mercury Free
- Low Heat Emission

Energy Efficient

Upto 4KV Surge Protection

Instant Lighting

1 Year Warranty

LED WELL GLASS LIGHT 80W	CTI-WG-80	80	CW,NW,WW	METAL	

# LED STADIUM / TOWER LIGHT

## APPLICATIONS

- Sports Stadiums & Grounds
- High Mast Lighting
- Airports & Aviation Areas
- Industrial & Infrastructure Projects
- Railway & Metro Projects

## KEY FEATURES

- Energy Efficient
- High Luminous
- Long Life Span
- Instant ON – No Flicker
- Low Heat Emission
- 1 YEAR WARRANTY

HIGHER WATTAGE ALSO AVAILABLE ON DEMAND

# LED SOLAR GATE LIGHT

**3in1**  
COLOUR RGB

1 YEAR WARRANTY

ITEM NAME	MODEL	WATTAGE	Solar Panel	Battery	CHARGING TIME	LIGHTING TIME	LIGHT COLOUR	LIST PRICE
LED SOLAR GATE LIGHT 5W	CTI-SOLAR-GATE-RGB-5	5	5V 2W	3.7V 1800mAh	6-8 HRS	10-12 HOURS	3 IN 1 + RGB	
LED SOLAR GATE LIGHT 10W	CTI-SOLAR-GATE-RGB-10	10	5V 3W	3.7V 2000mAh	6-8 HRS	10-12 HOURS	3 IN 1 + RGB	

# LED SOLAR UFO GARDEN LIGHT

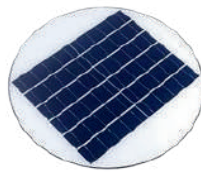

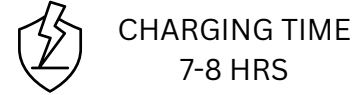

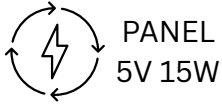

## APPLICATIONS

- Residential societies & colonies
- Industrial areas & SEZ
- Parks, gardens & public places
- Parking areas & campuses

## KEY FEATURES

- High Lumen Output
- High Luminous
- Long Life Span
- Weather Resistant
- Wide Beam Angle
- Eco-Friendly

**1 YEARS WARRANTY**

ITEM NAME	MODEL	LED POWER	BATTERY	POLE DIA(MM)	COLOUR	MATERIAL	LIST PRICE
LED SOLAR UFO GARDEN LIGHT 15W	CTI-GARDEN-SOLAR-15R	120W	3.2V 15AH	76	CW	METAL	
LED SOLAR UFO GARDEN LIGHT 15W -RGB	CTI-GARDEN-SOLAR-15R-RGB	160W	3.2V 12AH	76	CW, RGB	METAL	

# LED SOLAR GARDEN SPIKE LIGHT

## APPLICATIONS

- garden pathways and walkways
- lawns, borders, and hedges
- landscape features
- villas, bungalows

## KEY FEATURES

- Energy Efficient
- High Luminous
- Long Life Span
- Instant ON – No Flicker
- Low Heat Emission
- 1 YEAR WARRANTY

**1 YEARS WARRANTY**
