About Us

MARS MEDISHOP has over half a decade experience that has made a popular name in the Soap production, particularly in cosmetics, therapeutic, and medical soaps. Our company has created a niche market in therapeutic and medicate soap production. Our objective is to offer innovative and path breaking products, which are supported by unmatched quality research. Besides, our company owes the success to vigorous quality grounds, compliance with the regulatory norms, consistent product improvements, and audit-based product innovations. We additionally facilitate home brands under UNOGEN division that offer unwavering and wide range of therapeutic, medicated, and cosmetic soaps. We also have an INNOVATIVE division in which we provide a target-oriented, different, and innovative method for treatment and cure treatment. Our company is preferred among the international and national brands that take favors from the medical fraternity. We have expertise in supplying glycerin soaps, medicated soaps, baby care soaps, innovative soaps, and transparent soaps. Besides, we also serve the purpose of PCD pharma soap, generic soap, and PCD soap. Our production unit at Changoda, Ahmedabad has in 8000 sq. feet area that contains well-maintained facilities. It is backed with hi-end equipment, quality center, IT unit, and R&D lab. Our company is poised to move forward after tasting the success rate in the soap industry. We have improvised our facility and took initiative towards the pharmaceuticals production for medicated shampoo, creams, medicated lotions, ointments, and gels.

Mars Medisoap has earned a respectful position for itself in the industry today. Providing a excelling gamut of Medicated and Therapeutic soaps, our products are widely acknowledged across the country for their non-irritative characteristics. Be it a dry, rough, or oily skin/scalp, these items would purify your body and give it the soft touch it deserves. Known as a reliable Manufacturer, Exporter and Supplier since our establishment in 2010, the various goods provided by us include-Cosmetic Soap, Medicated gels, AC Mars Soap, Alovera Soap, Medicated creams and many more. Promoting the idea of living a greener and healthier tomorrow, all of our commodities are Eco-friendly in nature, thus causing zilch degree of harm to the surroundings.
