About Us

Established in 2013 in Ludhiana (Punjab, India), Kampus Care is a renowned wholesaler, trader, and manufacturer of numerous products, including CCTV Camera, Electronic Lock, Access Control Machines, Biometric Time Attendance, Thermal Id Printer-Aadhar Card Printer, Smart Cards, Smart Card Reader, etc. The offered products are made by our experts using the best raw materials and the most up-to-date technology. Our products are widely praised for their excellent performance, ease of installation, smooth finish, durability, and longer service. Due to their high strength, corrosion resistance, weather resistance, and flawless finish, concertina coil fencing earth and boundary wall, barbed wire, and wire chain link that are offered are also in high demand. To meet the individual needs of our clients, our products are offered in various specifications. Furthermore, commercial and residential sectors employ these products extensively for campus safety nationwide.

Our team of skilled professionals helps us deliver the highest quality items to our esteemed clients per their needs. Our personnel was chosen following a thorough evaluation of their knowledge and expertise. We are supported by our knowledgeable staff in meeting the urgent and substantial requirements of our customers. Our highly developed infrastructure facility is separated into many sections, such as production, quality testing, research and development, packaging, warehousing, etc., and is equipped with all necessary tools and machines. Our pricing strategy and ethical business practices have helped us build a sizable clientele nationwide.
