## About Us

Established in 2005, Shri Nanda Industries is a trusted Manufacturer, Exporter, and Supplier of high-performance HDPE pipe jointing and welding equipment. Based in Delhi, India, we combine advanced technology with engineering excellence to deliver durable and efficient machinery for industrial and infrastructure applications. Our machines are designed to ensure reliability, safety, and precision in every operation.

We specialize in manufacturing a complete range of jointing and welding solutions, including Electrofusion Machine, Hydraulic HDPE Pipe Jointing Machine, HDPE Pipe Jointing Machine, HDPE Pipe Welding Heater and Manual HDPE Pipe Welding Machine. Each product is developed with a focus on performance consistency, long service life, and easy maintenance. Whether its for small-scale projects or large pipeline installations, our machines guarantee smooth and leak-proof joints that meet global quality standards.
