## About Us

We, India Micro Tubes, have been a leading manufacturer and supplier of stainless steel goods since our establishment in 1989. Our extensive range of products includes Mild Steel Buttweld Tee, Stainless Steel Flexible Pipe, 904 Stainless Steel Coil, Stainless Steel Plain Tubes, etc. For their dependable performance, longevity, sturdy construction, rust resistance, and many other qualities, our products receive high appreciation from the customers. Our offered products are created in a sophisticated manufacturing division using premium materials that are purchased from reputable market vendors.

Our manufacturing facility is equipped with cutting-edge machinery and tools that enable us to produce our products with all the necessary features. We are able to provide our clients in the public and private sectors with high-quality, long-lasting products because of our best production facilities. Due to our unique selection, we also enjoy a good reputation among our clients. To ensure that all of our clients are completely satisfied, we adhere to ethical and open business practices. We also promise to provide our buyers with high-quality goods, it is our skilled team in each department that makes this possible for us. Customized items are available from our company at market-beating prices. Additionally, all the consignments are supplied in a timely manner. Today, we have risen to a prestigious position in the market because of Mr. Govind Chaudhary's forward-thinking leadership. His unwavering guidance and exceptional patience enable us to win clients' trust.
