About Us

We, Asian Polyplast, have over a decade of experience in providing innovative SWR Pipes and Fittings, MDPE Pipe Fittings, FRP Manhole Covers, Long and Short D Joints and Compression Fittings. As a manufacturer, we build highly optimized solutions that match the requirements of our valued clients. In the past years, we have worked with many large companies that come to us to avail our exemplary solutions. We owe our staggering growth rate in the industry to this partners who have placed their trust on our services since long.

When clients choose us, they are not simply shortlisting a product provider but are choosing a collaborative partner who would take the time to completely satisfy them with their quality products, quick services and continuous after-sales support. We are trained to take care of their unique needs and deliver them products suiting their budget. With our wealth of experience and knowledge, we wish to please many more clients in the future.
