## About Us

Promises made embracing job roles of wholesaler/distributor and trader are fulfilled with high perfection by us. Doing this helps us gain a notable position in the industry and earn loyal support of a huge customer-base. We are a trusted name in the Indian market because we abide by all the legal and quality norms to serve effective and quality-assured Pharmaceutical Products such as Vancomycin HCL Powder, Yeast Extract Powder, Pantoprazole Powder, Soy Protein Isolate Powder, etc., are some of the many offerings, which we source from celebrated vendors of the nation. Taking support of a wide distribution network, we distribute quality-marked pharmaceutical offerings in every nook and corner of the nation, thus, contributing in improving quality of life of our patrons. Mr. Suneet Bhutta (Director) is a man of high business acumen and competitive spirit. His unique business ideas and progressive ideology helps our company in giving tough fight to other pharmaceutical business units.

Vcare Medicines cares about the serious health issues, which often restrict people from enjoying life. To eliminate such health-troubling issues from roots, our Mumbai (Maharashtra, India), based company has started dealing in effective Pharmaceutical Products. From quality-marked Tablets to nutritious Powders, we offer different kinds of healthcare products. Our company owns a wide warehousing facility in which offered line that includes Collagen Peptide Powder, Maxler Special Mass Gainer Powder, Cetirizine Dihydrochloride Powder, etc., is kept in bulk quantity. Bulk storage helps us timely meet urgent requirements of the market. Proximity of our warehousing facility to all modes of transportation aids in swift shipment process.
