About Us

The reputed market image of Anmol Adhesives stems from quality based manufacturing. We strongly support the idea of quality purchase as it justifies the amount of money spent. As a customer-based company, we do our best to make every purchase of customer from our end a quality based purchase. This we do by making quality a major ruling factor of our production process. Our entire assortment is produced using premium materials that are procured from industry best vendors. As we know final quality of a product line is heavily dependent on its base materials, we select our vendors on the basis of production experience, market credibility and financial position. Vendors that stand tall on aforesaid factors are chosen by us to source base materials. This way, we make foundation of the final product line, strong and the best.

We, Anmol Adhesives, are marching strongly towards attaining the title of a customer-favorite company by indulging in a high speed based production of quality Adhesive Tapes and EPE Foams, etc. We believe in the notion of benefiting clients by rendering products that justify investment of customers hard-earned money. Hence, we make use of simply the best base materials. Our products like HDPE Self Adhesive Tapes, Cross Filament Tapes, Double Sided Cloth Tapes, HDPE Tapes, etc., undergo several quality based tests at our facility in Bhosari, Maharashtra, India. This highly strict way of guaranteeing supreme quality in range helps us come across as a reliable business unit in front of buyers.
