About Us

Joystick Biocare is helping people with its impressive range of Dental Jets, Health Care Products, Energy Pendants, Health Line Products, Vitamin C Products and Water Treatment Products. Our expertise and knowledge have helped us gain status of leading exporter, manufacturer, importer, wholesaler/distributor, supplier & trader of variety of products. Our products are precisely manufactured in purpose built factory under the supervision of experts to ensure optimum efficiency and reliability.

Premium grade raw material is used for the production process to ensure our products are in compliance with the national industry norms. Our experienced quality inspectors carefully examine the products in our specialized quality control wing to ensure perfection. Further, packaging is given high importance as it guarantees complete safety of our products as well as contains product details and information. Apart from this, continuous focus on clients suggestions, feedback has helped us in incorporating changes in our products, policies and processes. This has enabled us garner a wide client base in national and international markets.
