About Us

A healthy mind resides in a healthy body. People nowadays are growing conscious and aware of their health, hence, they are taking extra care of their bodies. Therefore, the demand for fitness products such as Multi Functional Machine, Seated Rowing Machine, Seated Shoulder Press Machine, Multi Functional Machine, Pec Fly Rare Delta Machine, Leg Extension Machine, etc., is growing daily. To cater to this, our company, Strength Fitness Group, was established in 2009. Owing to our professional work culture and business policies, today, we are known in the market as one of the leading manufacturers and suppliers of the above-listed products. Since our products come in the category of heavy machinery, we take extra care while manufacturing them so there are no accidents. To manufacture these products, we procure the best quality raw materials from some of the most trusted vendors in the market. These raw materials are tested for their various quality before they are used in our products, which ensures longer life, durability, and sturdy item. All our products are designed according to industrial standards.

The infrastructure of our company is designed keeping in mind the requirement of our company. It is well built and systematically divided into various departments to ensure smooth functioning and systematic completion of every project.
