

TAPES FOR LABEL INDUSTRY PRODUCTS SAMPLE KIT

strong smart stable

LOW VOC TAPES (D/S Tissue Tape)

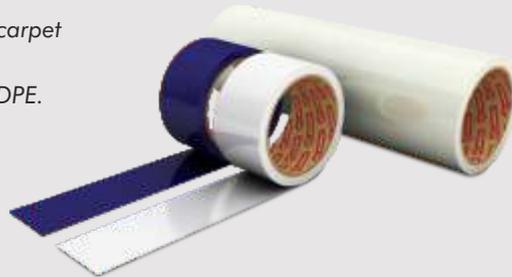

Sekisui double faced is developed for applying to resin parts such as polypropylene, and to polyurethane foam. The divergence value of VOC in adhesive is lowered.

- Superior adhesion to polyurethane foam
- Superior repulsion resistance
- Excellent for punching quality and dimensional stability

VARIOUS SURFACE PROTECTION TAPES

- Various kind of surface protection tape are available for carpet protection, plastics parts protection.
- Tapes are made of various material like LD, LDPE, HD, HDPE.
- 100% residue free adhesive system.
- Save cost on nishing car at dealer's end.
- Easy to remove, No residue while removing.

D/S POLYESTER TAPE (A-89)

D/S Transparent Polyester Tape (A-89) with transparent Salmon Pink Colour PE Liner. It is highly suitable for mounting of decorative profiles and mouldings in automobile industries, furniture industries (for mounting of decorative trim parts) and label manufacturing industries (for wide width lamination). It is also recommended for film splicing/joining application. Any width can be available upto 1000 mm as per customers requirement. It should be stored at room temperature 25°C \pm 2°C having normal humidity (50-70% Relative Humidity)

D/S TISSUE TAPES

Special tape which consists of non woven tissue and is coated with strong adhesive on both sides. It bonds firmly on to leathers, clothes, woods, plastics any two similar or dissimilar materials.

Features & Benefits :

- Splicing papers, plastic films, cloths and corrugated boards
- Acrylic based adhesives provides strong holding power and no adhesive deterioration
- Excellent temperature and solvent resistant
- Good shear strength the adhesive strength is hardly affected with temperature change and long storage
- No slippage long after applied.

D/S FOAM TAPES

- Used for fixing of GI Panels, MS Sheets & Body Building Industries.
- Mounted trims, emblems & body side moldings are fixed with high performance adhesive tapes & die-cut. Various grades of acrylic foam tapes & PE foam tapes & their die-cuts are available in various thicknesses.
- Thickness : 0.4mm, 0.8mm, 1.1mm, 1.2mm, 1.5mm & 2mm
- Colour : White and black. • Width : As per requirement.
- Rolls and die cut options available.
- Different variety of AFT are AFT Nx150B, NX110B, GHB120B, 150B, 110B, 400 G1, 1200G1 & 800 G1 available in Grey & Black Colour

Polyester Tape (A89)

Polyester Tape (A225W)

D/S Tissue Tape (EZ500)

D/S Tissue Tape (EZ808)

D/S Tissue Tape (P635)

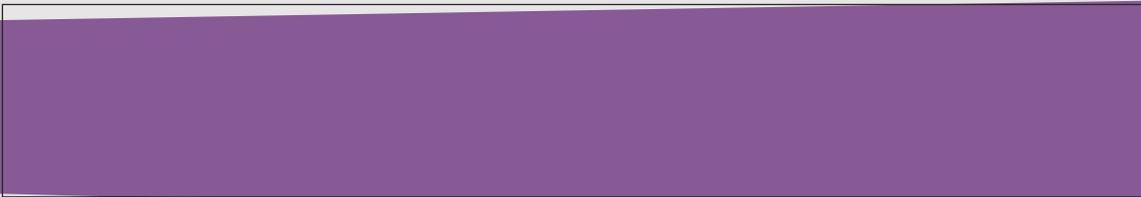

D/S Tissue Tape (P636)

D/S Tissue Tape (521P)

D/S Tissue Tape (5782)

Acrylic Foam Tape (0.8mm)

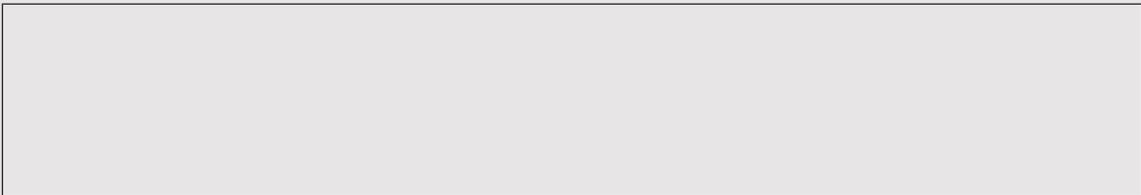

Acrylic Foam Tape (1.2mm)

Acrylic Foam Tape (1.5mm)

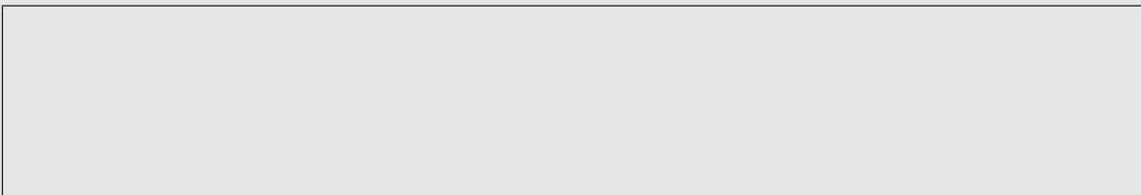

Acrylic Foam Tape (2.0mm)

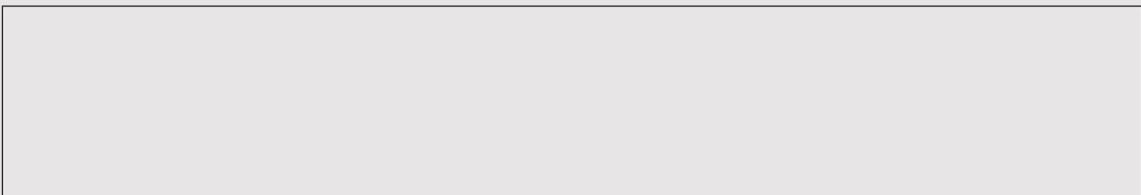

Foam Tape (A501R)

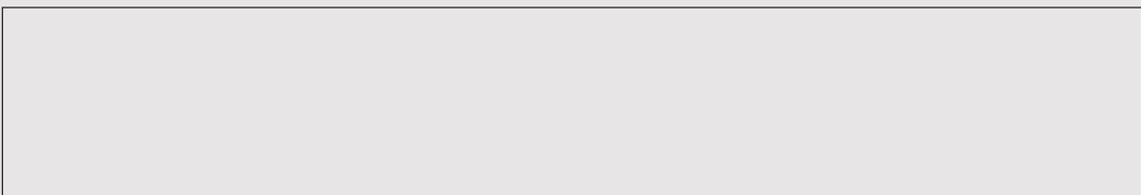

Protection Tape (N4768)

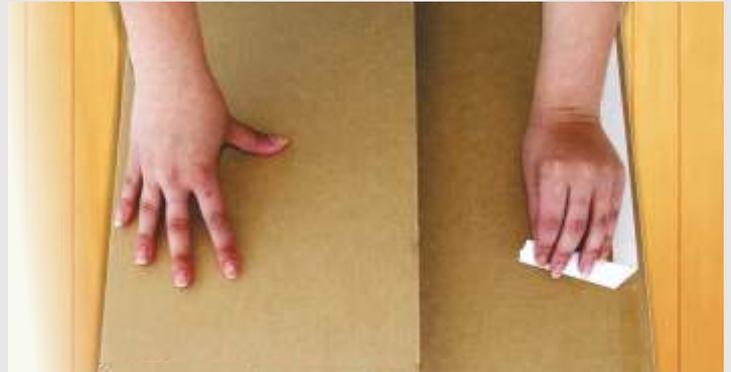

Surface Protection Tape (SPF12E50/12E55)

Lamination Tape (B230T)

Application Tape (EZ60)

OTHER PRODUCTS AND THERE ARE MANY MORE...

DUCTS TAPE

This superior quality tape is commonly used in areas which require flexible, strong and very sticky tape. It is hand tearable tape.

HOLDING TAPE

Specially designed tape for stain and adhesive transfer resistant. Used for temporary holding of doors, frames, glass, etc.

BOPP TAPE

The BOPP tape is available in different colours sizes and thickness. BOPP tape is used for carton box sealing. Printing of Logo also available.

AIPL CONSPICUITY TAPES

AIPL Conspicuity Tape facilitates the reflection of the incoming light back to the light source. It is not wrong to say that reflective tapes are those unsung safety heroes that quietly help to create a safer environment for everybody.

About Us

Ajit Industries Private Limited is one of the flagship company in the country engaged in manufacturing of "PRESSURE SENSITIVE SELF ADHESIVE INDUSTRIAL TAPES" since 1998. The Company was incorporated at Delhi by the promoters having several years experience in the field of various type of Self Adhesive Industrial Tapes. The company is equipped with a "State of the Art" manufacturing facilities at its plants located near Delhi at Kharkhoda in Distt. Sonipat (Haryana), Bhiwandi (Mumbai) and Special Economy Zone Chennai for exports with a combined spread over 28000m² facility.

AIPL Quality Policy

1. AIPL is committed to meet the satisfaction of customer.
2. Achieve leadership in all spheres of working.
3. Create a positive working environment and strive for continuous growth and improvement.

We shall achieve this through the following objectives and strategies:

- Adoption of world class organizational and manufacturing practices and quality system standards.
- Advanced Quality Planning to reduce errors and product development time.
- Meeting customer expectations on quality, cost delivery and safety.
- Continuous improvement of products, processes and systems.
- Participating in high performance work culture recognizing innovation.
- Regular need based training and development of people towards a culture of quality.
