About Us

PR Industries is a reliable provider of equipments to municipal and industrial process markets, drinking water and waste water plants, paper & board mills, brewing and other industries. With engineering expertise, production capabilities and a commitment to continuously innovate, the proprietorship company applies a team approach for the products of its equipments. Founded in 2013, the New Delhi (India) based Manufacturer & Supplier provides Tube Settler Media, MBBR Media, Tube Pac Media, TSM, ETP Plant Equipment.

The tube settler media used in drinking water and waste water plants for sewage, purification and filtration applications is developed to their exact specifications. The technical specifications of the this equipment are plan settling area of media, laying angle, structure, straight height of media, MOC of media, thickness, fitting arrangement, cross sectional area, max continuous operating temperature, actual plan area of each tube settler, colour, settling velocity, SLR, angle correction, width of inlet launder, hopper slope, total no. of hooper's, hopper depth, weir loading rate, and total weir length. The company supplies these equipments of the highest quality all over the country. The team of 10 personnel, including designers and engineers, who work closely with clients throughout the production activities of each project to create targeted, tailored solutions.

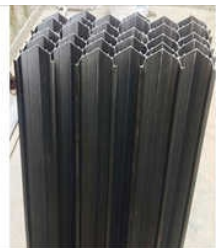

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	tube deck media,air diffusers,tube settler systems,tube settlers,mbbr media
No of Staff	10
Year of Establishment	2013
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As per client requirement
ProductRange	tube deck media,air diffusers,tube settler systems,tube settlers,mbbr media

Our Products

Lamella Clarifiers

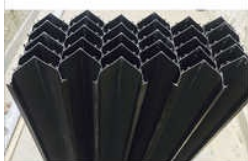

**Sewage Treatment
Plant Tube Settler**

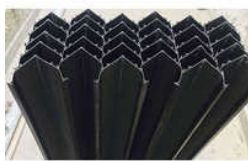

**Wastewater Treatment
Plant Tube Settler**

Tube Settler Modules

**PR 1155 Mm Black Tube
Media**

**PR 1000 Mm Tube Deck
Media**

**PR PP White MBBR
Media**

**EPDM Fine Bubble
Diffuser**

**Manual 866 Mm Tube
Settler Media**

Tube Deck Media

**500 Mm Tube Deck
Media**

**Silicon Fine Bubble
Diffuser**

Bio Pac Media

Fine Bubble Diffuser

Black MBBR Media

Tube Pac Media
