Rohit Sales Corporation is a trusted trader and supplier of industrial solutions. Established in 1999 and based in Ludhiana, Punjab, we have built a strong reputation for delivering dependable products and exceptional service. Our product portfolio includes Durable Wall Construction AAC Block Panel, AAC Grey Blocks, Aerocon Designer Boards, Charminar BirlaNu Cement Sheet and Cool Roofing Sheet. With decades of experience, we understand the critical importance of supplying high-quality materials that meet diverse industrial requirements. Our commitment to consistent service and client satisfaction sets us apart in a competitive market.

With over two decades of industry presence, we bring unmatched knowledge and insight into sourcing the right products at the right time. We partner with reputable manufacturers and maintain a carefully selected inventory to ensure our clients receive top-grade materials, every time. Our team keeps a pulse on evolving market trends, enabling us to offer products that meet current industry demands.

Located in Ludhiana, our infrastructure supports efficient inventory management, quality assurance, and prompt order fulfillment. We maintain a well-organized storage system that ensures products are readily available for quick dispatch. Our strong logistics network and streamlined operations enable us to meet urgent client demands without compromising on service quality.

Our approach is simple: understand the clients needs and exceed their expectations. We value long-term business relationships and work hard to deliver a service experience that is honest, responsive, and efficient. Our clients rely on us not just for products, but also for timely communication, on-schedule deliveries, and unwavering quality standards.

Over the years, we have earned the trust of industries across sectors through consistent performance and ethical practices. We believe in building lasting partnerships and continuously strive to improve our offerings. As a reliable link between manufacturers and end-users, we take pride in facilitating smooth, efficient, and transparent transactions.
