About Us

We, Mahakali Plastic Manufacturers, are a reputed name specializing in Plastic Niwar, Fishing Twine, Monofilament Cloth, Monofilament Woven Fabric, Non Woven Fabric, etc. Our company stepped into the manufacturing business in the year 1989 as a leading manufacturer & supplier. Since then, we have been providing a durable range of products designed from the high-end raw materials as per the global quality norms. The range is highly acknowledged in the market for color fastness, easy washing and striking colors. We boast of having a qualified team of professionals and experts to help us meet the ever-changing market demands. They work at our modern production unit to cater to the exact needs of the clients with the best resources.

Under the mentorship of Mr. Akashbhai A Patel, today, our company has received significant recognition in the industry. His expertise has served as a valuable asset to the company.
