KLEEN FORCE

1. SAFEKIT AUTO RINSE

Safekit Auto Rinse is a highly concentrated formula for machine dishwashing that includes blend of non-foaming synthetic surfactant that aid in drying & rinsing. It lowers the surface tension of water and allows the water rapidly run-off and drain completely from surfaces ensuring high-speed drying, spot free wares & sparkling glass wares. **Safekit Auto Rinse** is suitable for plastics too and works great for all hard surfaces. The low foaming characteristic of **Safekit Auto Rinse** ensures that your machine functions optimally.

2. KEY FEATURES AND BENEFITS

- Non-perfumed & leaves no taint or smell on the cleansed items
- Single product for different rinsing application
- Prevents scale deposition on cutlery and in the rinse section, including final rinse-spray-nozzles of your dishwashing machines
- Economical in use
- Ecologically safe
- Comes with the assurance of 40 years of intelligent solution providing

3. PROPERTIES

Appearance	Blue colored clear liquid
pH (1% solution)	7.0 – 8.0
Specific Gravity (25°C)	1.0 ± 0.1

The above data is typical of normal production and should not be taken as a specification
