

1. SD 100

SD – 100 is a versatile surface disinfectant, especially designed to completely eradicate bacteria, fungi and viruses on all kinds of hard non-porous surfaces, of residential, industrial, commercial and public surroundings.

It's developed with a rare blend of twin chain Quaternary Ammonium compounds with high quality surfactants and stabilizers, which are proven to have optimal effectiveness against bacteria and viruses.

2. KEY FEATURES

- Depending on the intensity of Disinfection required and its application, the product can be diluted as it's a concentrated product.
- The disinfectant eliminates bacteria, fungi and viruses on all kinds of hard non-porous surfaces.
- It is extremely effective in cleaning the surfaces making them hygienic and safe to use with its dust removal capability.
- It can be used for mist-spraying with foggers in the external environment

3. BENEFITS

- Cost effective flexible dosage for application.
- Non corrosive nature.
- Its pH neutral, and Chlorine free.
- Leaves no bad odor after application.
- It is quite stable and can be stored in for long periods in cool and dark place.
- The amount of decomposition of this product by ultraviolet is low.
- No discoloration of bright coloured surfaces- safe formulation

4. PROPERTIES

Appearance	:	Clear colorless liquid
Solubility	:	Completely Soluble in Water
pH	:	Neutral
Reaction Time	:	10-15 seconds
Odour	:	Characteristic
Specific Gravity	:	1.00 ± 0.1

5. DOSAGE

- 1%-2% of SD 100 to water, for cleaning – cum – disinfection

6. APPLICATION

- Offices, Factories, Hotels, Hospitals, Banks, Shopping Malls, and production areas in industries such as Pharmacy, Paper, Textile and Garment Industry
- Any public, private or commercial establishment can be disinfected using SD-100
- Disinfection of Railway platforms, Floors, Corridors and every possible infection prone areas

7. STORAGE

- Store in a cool & dark place in original supplied containers
- Close the lids tightly after use
- For safe handling, refer to MSDS

8. PACK SIZE

SD-100 is available in 5kg / 50kg carbouy

9. SAFETY & HEALTH PRECAUTIONS

- Do not handle until all safety precautions have been read and understood
- Avoid direct contact with eyes and nose
- Wash hands thoroughly after handling
- Do not eat, drink or smoke while handling the product
- Wear appropriate protective gloves and glasses to prevent exposure

10. DISCLAIMER
