0000 0000000000

ABOUT US

M.R. Label Co. is a well renowned name in the garment trims industry. With over 11 years of experience we have excelled in the art of manufacturing 100% premium quality labels with our imported computerised machines. We own the largest production unit in Delhi NCR with a capacity of delivering high volumes of order shipments.

Over the past years we have attained a strong clientele from all across the world, providing unmatched product material and timely shipment delivery. We believe in giving the best product experience so, that our buyers are happy doing business with us.

**A SATISFIED CUSTOMER IS THE BEST
BUSINESS STRATEGY OF ALL**

M.R. Labels Co. pioneer in all types of Labels, Tags, Patches and stickers through their state-of-art technology setup in New Delhi, India. You can be assured of the Quality, Competitive rates & Timely Shipment delivery from our team.

FROM OUR MD'S DESK

Mr. Mahipal Singh

Every product is known through its label and that's our speciality, we print those "labels"

Manufacturing labels has been our journey from scratch to thousands label manufactured by M.R Labels Co. We proudly see ourselves attached to every brand out there to every product selling through our printed labels.

We believe to deliver experiences that are remembered over the life-cycle of the product. Our labs manufacture the best labels using the latest technology available in the market giving quality assurance to the client. This commitment to quality has been our motto from the starting point of M.R Labels Co. and I always take pride following the same to the future.

I invite you to come and visit our workplace and see for yourself about all we have mentioned about us in these kind words !
