

Magnetic v Block

Angle Plate, Bearing v Block, Bevelled Edge Try Square, Coil Type Demagnetisers, Coil Type Demagnetizer, Compact Magnetic Lifters, Compound Sine Plate, De Magnetiser, Demagnetizers ., Epm Chuck for Horizontal Machine, Epm Plate Lifter, Electro Magnet, Electro Magnetic Square Block, Electro Permanent Magnetic Chuck, Electromagnetic Angle, Etc.

PERMANENT MAGNETIC SWEEPER

MAGNETIC BASES WITH FINE ADJUSTMENT

MAGNETIC HOLDING DEVICES

About Us

With a vision of catering to the specific requirements of various engineering companies, we ceaselessly strive to innovate our production system and foster technological development to bring forth precision-engineered products like Magnetic V Block, and various Magnetic Machine Tools, Fowler Magnetic V-Block. And thereby we usher in the new altitude of success in this competitive market. Incorporated in the year 1990, we, Uptech Engineering, are recognized as a trusted Manufacturer, Exporter and Supplier of Magnetic V Block, Fowler Magnetic V-Block that is designed in proper configuration for ensuring the firm hold on round, square, straight, or rectangular articles, thus acclaimed for excellent clamping efficiency. Bringing about improvement in structural and designing methods, we produce Magnetic V Block that can efficiently wield the articles in different positions magnetically.

Uptech Engineering has been established in Pune, (Maharashtra, India) to serve the Indian market since 1999, with its quality Magnetic products and more. Since then, it has expanded its network across the country through its channel partners and its own sales representatives. Uptech engineering Ensure Quality management system, in accordance with ISO-9001:2015 standards, is effective & efficient.

Key Facts

No of Staff	25
Year of Establishment	1999
OEM Service Provided	No
Memberships	IMTMA, TAGMA

Our Products

Permanent Magnetic Clamping Block

Portable Demagnetiser

Electro Magnet

Stainless Steel EDM Vice

Demagnetizers .

Magnetic Square Block

Magnetic Sheet Separator (Floater)

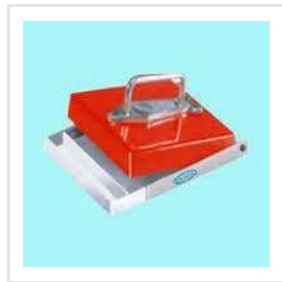

Coil Type Demagnetizer

Magnetic Separator On Off Type

Magnetic Try Square

Permanent Magnetic Separator

Electromagnetic Angle Separator

Magnetic Stick On And Off Type

Hardened And Ground Steel Straight Edge

Coil Type Demagnetisers

Magnetic Blocks
