## Values

---

***Straight-talking:*** We encourage open debate where the best ideas win.

***Customer centric:*** We put our customers at the center of our focus and initiatives with the objective of providing them with unmatched levels of services and products.

***Teamwork:*** We actively share information and ideas, enthusiastically working to make those around us better.

***Diversity and respect:*** The diversity of our workforce is an asset and we treat everyone with dignity and respect regardless of status, gender, education, ethnicity or religion.

***Empowerment:*** We empower people to make decisions with a bias for action.

***Employees as core assets:*** We believe that our employees are our most valuable resource, and do whatever it takes for their **continuous training, development and motivation.**

***Meritocracy:*** The rewards and career advancements of our people are based on their performance and capabilities, not on their wasta (influence).
