About Us

Neelkanth Iron And Steel Industry is a respected distributor, trader & supplier of quality steel products located in Ludhiana, Punjab. Established in 2017 and operating under the direction of Mr. Ankush Garg, we have emerged as an active and dynamic presence in the steel industry due to its commitment to quality, reliability, and customer service. With an extensive portfolio of products, including Steel Beam, MS Bar, Roofing Sheet, ERW Pipe, Mild Steel Channel and so on, we cater to a wide variety of construction and industrial applications. All of our raw materials are sourced from well known manufacturers, and each product undergoes rigorous quality control inspection for strength and durability. Through this philosophy, we can meet the exact requirements of our clients from a vast array of industries.

We value the establishment of long term relationships built on trust and transparency. Our philosophy of being customer centric allows us to customize our services for each client by providing competitive pricing, timely delivery, and exceptional service after sale. As a company, we continuously improve our knowledge base and insight into the market, which allows us to identify current Steel Industry trends and develop solutions that enhance the value of our clients projects. We pride ourselves on our professionalism and integrity and are committed to upholding these values in every facet of our operations. Our dedicated team of professionals works hard to ensure that each client receives the highest quality products and services.
