## About Us

Our founder and inspiration – RajvaidyaPandit Chandra Sen Jain, was a visionary man blessed with the gift of Ayurveda. He was an Ayurvedic practitioner, a Sanskrit scholar and a royal physician in his time. Over the time of his practice he saw that most of the medical health issues are either direct resultant of or are affected by improper functioning of the digestive system and thus, highly emphasized on digestive health of his patients, which later led to the development of GasoleenVati – a completely herbal preparation, made under strict purification techniques till today. Each pill is handmade and under strict hygiene conditions in our manufacturing units.

## Our Values

With rich history of research and immense passion towards their work, our founders have built this company to preserve the Ayurvedic knowledge and use it to provide safer medicines to the people in need.

## Business Details

The 94 years old brand '**SUDHAKAR AYUR LAB INDIA PRIVATE LIMITED**' had it's humble beginning in the year 1926, in **Lucknow city, Uttar Pradesh**. We have come a long way since then, from being a family-owned business to transforming into a professionally managed brand. We have been a prominent manufacturer and supplier of ayurvedic health care products not only in Uttar Pradesh but in the Hindi heartland. So what sets us apart? The answer is the choices we made, right from premium ingredients to the intense scientific research and highest standards of quality control.

We offer a wide range of supplements, premium kits, and generic medicines which are categorized into three categories ie. Digestion, Immunity, and Strength (Male health and wellness). The product mix is a successful effort in providing benefits to everyone. The Generic products are Gasoleen for Digestion and Narsingh Tila High Power oil which makes male genitals strong & firm and manages premature ejaculation, tackles impotence. The latest addition in the Digestion category is better and more effective in all digestion related problems such as gas, constipation acidity, similarly Immunity category product is for everyone in the family to boost the natural immune system while the strength category entirely focuses on male health, it optimizes the male performances, promotes healing, controls blood sugar level, gives glow & firmness to the skin, and helps in building muscles.

Premium Combos/kits have been made to ease the choices of the customers by combining the bestsellers based on the customer demand and our observations.

All our products are made using highly potent and premium quality herbs and minerals like chandrodaya makardwahja ( 24k pure gold derivative), shudh Shilajit, black asphaltum (shudh shilajit), chlorophytum borivilianum (sweta musli), mucuna pruriens (konch beej), and others. They are made after extensive research and under the supervision of experienced medical experts. Before their final dispatch, they are clinically tested. Offered under the brand name ARUNVEDA, they are packed in air-tight glass jars in order to keep them safe. Since our establishment, we have grown at a satisfactory rate and it is evident from our annual sale which approximately INR 35 lakhs.

**We have been working in the market with the stockists on a credit basis as the trust, we have built in so many years has been a positive point for us.** We are looking for reliable city, region, and state-level distributors who can aid us in our expansion and support the growth of our brand.

## Vision

Arunveda has a boastful legacy of 94 years in the manufacturing of ayurvedic supplements under the umbrella of its parent brand. All of our products are plant based, dairy free, sugar-free and handmade using the precise & standard age old methods to keep the potency and quality intact which sets us apart from other ayurvedic health care brands. Our vision is to provide the age old ayurvedic secret recipes to a larger populace not just in India but globally. We are soon planning to launch Arunveda's Luxury Chyawanprash and female oriented ayurvedic supplements.
