

PCB LEAD CUTTING MACHINE

HIGHER PERFORMANCE AND MORE RELIABILITY

Automated Conveyor System, Automatic Big Resistor Cutting Bending Machine, Automatic Dip Soldering Machine, Automatic Wire Stripping Cum Twisting Machine, Big Resistor Cutting Bending Machine (Horizontal type), Big Resistor Cutting Bending Machine (Vertical type), Conveyor System, Cutting Blade Sharpening Machine, Dip Soldering Machine with Temperature Controller, Flat Belt Conveyor, LED Cap Crimping Machine, LED Tikki Pressing Machine, Manual Blister Sealing Machine, Manual Dip Soldering Machine, Manual Insertion Conveyors, etc.

PCB LEAD CUTTING MACHINE

**RESISTANCE CUTTING AND
BENDING MACHINE**

PCB ASSEMBLY EQUIPMENTS

About Us

Techno Trix (India), a company known for its engineering excellence and customer centric policies, welcomes you to its website. The company ventured into the industry from last 5 years & to be a reliable technological partner of a large number of organizations. We are registering excellent growth in the domain as a manufacturer and supplier of PCB Conveyor Belts and PCB Assembly Machinery & Equipment like PCB Lead Cutting Machines, Wire Seizing Machines, Wire Stripping Machines, Register Cut Bend Machines, Wire Cutting Machines, etc.

Quality of our products is one of the crucial and consistent reasons behind the growth of the firm. Following a TQM policy, our product-line is made with high precision by the smart experts as per the international norms. The quality inspectors keep an eye on various stages of production, storage, loading-unloading, etc. so that clients get the best range from us. They also evaluate the developed product-line in the maintained testing wing to ensure absolute perfection. Our machines are gauged on the basis of their performance, construction, durability, etc.

**Key Facts**

Nature of Business	Manufacturer
Primary Competitive Advantages	pcb lead cutting machine,dip soldering machine,pcb assembly machine,pcb assembly jig,electronics tales,assembly tables,solder stick,solder bar,resistor cut and bend machine,pcb assembly tables
No of Staff	8
Year of Establishment	2011
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	Depends On Order
ProductRange	pcb lead cutting machine,dip soldering machine,pcb assembly machine,pcb assembly jig,electronics tales,assembly tables,solder stick,solder bar,resistor cut and bend machine,pcb assembly tables

Our Products

Semi Automatic Dip Soldering Machine

Flat Belt Conveyor

Automatic Dip Soldering Machine

Automatic Wire Stripping Cum Twisting

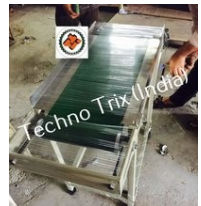

Table Top Conveyor

Manual Dip Soldering Machine

Dip Soldering Machine With Temperature

Automated Conveyor System

Motorized Cut And Bend Machine

Cutting Blade Sharpening Machine

Semi Automatic PCB Lead Cutting Machine

Big Resistor Cutting Bending Machine

Big Resistor Cutting Bending Machine

Automatic Big Resistor Cutting Bending

Smd Hot Plate

Thermostate Dip Soldering Machine
